Occasionally, weather permitting, we will visit nearby areas (within walking distance) to undertake painting and drawing etc. We will inform members and parents of these activities at the start of the session. It is therefore important that you accompany your child into the club, as the premises will be locked after the register is completed and we have left the building. Please indicate below if you are happy for your child to take part.

Your child's safety and well-being is paramount. All club leaders have been Police Checked. We have qualified First Aiders on the club premises but it is important for us to be able to contact you whilst your child is in our care.

Please return this section to The Crazy Art Club when all relevant details have been completed and signed.

Important Information

The art club usually opens at 10 am to allow us to prepare for the session. Members will not be admitted before 10.30

The club sessions will finish at 12.00 pm. We would appreciate it if you would collect your child on time. As volunteers, we also need to make the most of Saturday afternoons!

Due to a growing interest from local children, we now have a waiting list. In fairness to all concerned, we expect current members to attend regularly. If there are more than 3 consecutive absences without good reason* we will offer your child's place to the person at the top of the waiting list. We will then place your child at the end of the waiting list and will inform you when we have a vacant place.

*If your child is ill or has a holiday booked, please contact us—your child's membership will then remain intact.

Please wear old clothes! We use paints, clay and glue which may be difficult to remove from some clothing! You can bring an old shirt to cover clothing if you wish.

If you have any concerns or complaints you would like to discuss, please feel free to talk to us at the club or contact us by telephone (details below).

The Crazy Art Club is affiliated to Young Cumbria

What do we do?

We offer a wide choice of art and crafts, including:

Painting and Drawing
Model making
Cartooning
Working with clay
Computer-aided design
Comic strip
Poster making
Large scale paintings and models

PLEASE
WEAR OLD
CLOTHES!

*Art is FUN but
MESSY!*

If any member has suggestions about activities not covered, we will do our best to include them.

Also

We plan to hold Art Exhibitions for the general public. Over the years we have seen members produce extremely high standards of work which deserve recognition. The local newspapers are invited to these exhibitions and publish photographs and articles on the work of The Crazy Art Club.

Code of Conduct

Nobody likes rules! But, to make our club a safe and happy place, we expect all members to agree to the following:

- Do not leave the club at any time without permission from the club leaders.
- Be thoughtful to the feelings of others.
- If you are concerned about anything, please speak to one of the club leaders.
- All members should clean their own workspace (this includes paint brushes etc) –don't leave it for someone else to do!
- When using the toilet leave it in a clean condition. If you find someone else has not done this, please inform a club leader.
- Do not run in the art club.
- Take a look at the Notice Board— you'll see lots of club information there AND what to do if there is an emergency!
- If all members act in a responsible way, there's no need for anyone to shout!
- Whilst waiting for all members to arrive at the club paper and pencils will be left on the tables for you to use.
- When the session starts, a club leader will explain what we will be doing for the session—please listen—if you don't understand, just ask.
